

Appointment Cancellation

Our goal is to provide quality dental care to all our patients in a timely manner. No-shows, late arrivals, and last-minute cancellations inconvenience not only our providers, but our other patients as well.

Please understand that appointment times are limited. If you must cancel your appointment, we respectfully request 48 business hour notice.

Missed appointments, or appointments cancelled without 48 business hour notice, will incur a fee of \$ 78.00.

We appreciate your help and look forward to serving you!
